Vehicle Registration Form

Each member family is allowed a maximum of two parking stickers. A single member will be provided with one sticker. If they own two vehicles, they may request an additional sticker. Married members will be given two stickers. If there are more than two family members, the family will determine on which vehicles the stickers will be placed. In order to park in the Club parking lot, you must have a sticker or a guest pass. Guest passes can be obtained in the Club office.

If your vehicles are the same this year as last, you do not need to complete this form. If you are a new member, did not have a vehicle registered last year, or your vehicles have changed, please complete the following form and return it to the office.
