Dear Hanover Seaside Club Members,

Greetings beach friends! The Club's Officers, Board and Staff hope this letter finds you and your families healthy and safe. The 2020 beach season, like most things today, is full of uncertainty. As of this mailing the Club building is closed except the ground floor in order to make RESTROOMS AVAILABLE. The parking lot is open to stickered vehicles only. Members ONLY can access the porches and the sound side area using social distancing guidelines. Members can access the beach but must adhere to Town of Wrightsville Beach directives. The Board has formed a temporary COVID-19 committee (see BLOG) to help us determine what to do in order to keep the Club clean and the members safe during the different reopening phases. We have faith that the Covid-19 pandemic will pass and we can all begin to live and work in what is being called the "new normal". Our staff and Board and many Member-Volunteers have worked hard to update and freshen things up for you. In this mailing you will receive information for:

Parking Stickers, Lockers, Dining Room and Snack Bar and Room Rental.

Please review HSC Policy #6010, club rules, available online and at the front desk.

We wish you a safe and enjoyable summer. We also welcome your comments and suggestions and look forward to seeing you at the Beach! The front desk/phone is currently staffed from 9 AM till 4 PM Monday through Thursday. Messages left on answering machine will addressed ASAP.

Opening information and updates to can be found at www.hanoverseaside.club or www.hanoverseaside.com . The HanoverSeaside.club site is new. Instructions for logging onto this site are attached.

You can also monitor updates on our Facebook private page, Hanover Seaside Club. Request to be added if you are not already granted access.
